Subject: Bitterroot Resort

The study shows just how vital the Bitterroot Resort will be to the growth of our economy!
Not only will we see a \$400 million windfall, but the tax dollars will help Lolo and the Bitterroot grow and developed.
I'm so sick of hearing Missoula whine about the environmental impact! Have you seen an aerial view of the mountain range? It's HUGE!
The Bitterroot Resort just wants a small piece of that HUGE range and in exchange... we get our own Whitefish!
That's a trade off I'm willing to make!
The Bitterroot Resort going to my backyard, not Missoula's! Those "Tree Huggers can kiss my A\$\$!"
They've built out almost the entire South Hills.... Don't try to tell me what we can put in our BACKYARD!
