This is a great opportunity for the Missoula Area.

I have spent many enjoyable hours hiking the Carlton Ridge to the lakes and Lolo peak.

I have bicycled most of the mountain roads in Mormon creek, Mill creek, and Carlton Creek. Yes, I like the solitude of the mountain, but what gives me the right to hold it to my private whims. I believe that the Bitterroot Resort will do more to keep the area Green and open to the public than private ownership of small land parcels. I support this effort to keep clean renewable resources, like recreation a viable part of our Valley. Resident since 1976
