

This is a independent study to measure the economic impact of the proposed Bitterroot Resort. This document is not an environmental assessment. Please limit your input to findings in the Economic Impact Analysis and cite the page number and paragraph. Comments may be mailed to MAEDC at 1121 East Broadway, Suite 100, Missoula, MT 59802, or can be emailed to [maedc@maedc.org](mailto:maedc@maedc.org). All input must be kept to one page using font size 10 -12.

**Remarks:**

I feel this "destination resort" would be a great addition to the Bitterroot Valley and the surrounding areas. The positive aspects of the study include the increase in good paying jobs in the area (needed badly) and the increased revenue for the Missoula and Bitterroot Valleys, both from direct expenditures, but also from secondary expenditures. This resort will only be positive for this area.
