

This is an independent study to measure the economic impact of the proposed Bitterroot Resort. This document is not an environmental assessment. Please limit your input to findings in the Economic Impact Analysis and cite the page number and paragraph. Comments may be mailed to MAEDC at 1121 East Broadway, Suite 100, Missoula, MT 59802, or can be emailed to [maedc@maedc.org](mailto:maedc@maedc.org). All input must be kept to one page using font size 10 -12.

Remarks:

The "employment" figures in this report were not satisfactorily compiled/expressed. It is important to know the breakdown of potential full-time benefit jobs, part-time and seasonal jobs. And to duly note the impact that part-time/seasonal jobs have on community resources such as public health services and public transportation costs, subsidized housing, etc.

This report is deficient due to its lack of annotated costs to the communities and public service sector.
